

FAMILY AND FRIENDS OF RESIDENTS OF RAPELJE LODGE

You have an important role as a member of the Home's care team, and you can support meeting the expectations for your loved one by:

- Providing information and suggestions to the care team on the resident's care needs and lifestyle preferences
- Getting to know the other care team members, understanding their roles and collaborating with them
- Participating in the Rapelje Lodge Family Council

...IT'S ABOUT QUALITY OF LIFE

Rapelje Lodge Family Council invites you to contribute your ideas to the home, and its care and services to the residents by:

- Learning more about your resident's home and making suggestions for improvements through the Family Council
- Contributing your ideas to our Family Council meetings (on the third Monday of the month, and now have an online option to attend)

Looking forward to getting to know you and working with you
